

# A little less to *hold in your head.*

Your kit is ready. Make it your own, then put the pages that help most where you can see them.

## 01 / YOUR EDITABLE KIT

### Start with your own copy

The complete 12-page Starter Kit, including examples, reusable sheets and labels for your school papers.

[OPEN MY STARTER KIT IN CANVA](#)**1**

#### Open your kit

Use the button above.  
Sign in if prompted.

**2**

#### Make it yours

Create your own copy,  
then edit the text.

**3**

#### Download & print

Download the pages you  
want as a PDF.

If the button does not open, use the Canva link:

## YOUR KIT + THE SCHOOL UNPACKED APP

### Still rereading school messages at bedtime?

Upload a school notice or paste a message. School Unpacked pulls out the dates and to-dos for you to check, then shows what to bring, sign and prepare. **Less rereading. A clearer plan for tomorrow.**
